

CHINA SENDS HER DELEGATES

They Left Peking To-day on Their Way to Washington

FOREIGN MINISTER YEN NOT WITH THEM

He Will Follow If Shantung Matter Is Cleared Up

Peking, Sept. 29 (By the Associated Press).—China's delegation to the conference on limitation of armaments and far eastern questions left this city for Shanghai to-day on its way to Washington intending to make the voyage across the Pacific on the steamer Hawkeye State. Dr. W. W. Yen, foreign minister, who was expected to be chief of the delegation, did not leave to-day, but it was said he would follow, provided China's Shantung policy was determined and initiated soon enough for him to reach the American capital for the opening of the conference.

If Dr. Yen should find it impossible to go to Washington, it is probable that Dr. Wang Chung-Hui, president of the civil and criminal law codification commission, and a jurist of international repute, will be chief of the Chinese representatives. Four prominent Chinese diplomats were members of the party which left to-day. They were Chow Tsechi, former minister of finance and one time secretary of the Chinese legation in Washington; Wang Ta-shieh, leader of the progressive party and former minister of foreign affairs; and Dr. M. T. Liang, former minister of foreign affairs and a prominent diplomat during the latter years of the Manchu dynasty.

The remainder of the party consisted of 22 technical experts, 19 secretaries, 19 attaches, 17 translators and several foreign advisers.

PRIMED FOR MATHEWSON DAY.

McGraw's Giants Are Anxious to Win from Braves.

New York, Sept. 29.—Manager McGraw and his New York Giants would like nothing better than to clinch the National league pennant by defeating the Boston Braves at the Christy Mathewson testimonial game at the Polo grounds to-morrow. It would please the "Big Six," who helped the club win championships of other days and it would give the players more rest in preparation for the world's series next month.

Mathewson, still the idol of thousands of baseball fans, is slowly recovering from tuberculosis at Saranac Lake, N. Y.

EIGHT LEFT IN 3D ROUND

Jack Hutchison, British Open Champion, Eliminated

GENE SARAZEN "WONDER WORKER"

Conquered Hutchison By 8 Up and 7 to Play

New York, Sept. 29.—The field in the professional golfers' championship tournament had been reduced to eight when play in the third round opened at the Inwood Country club to-day.

With Jack Hutchison of Chicago, British open champion, and holder of the 1920 American professional title, eliminated, much of the interest in the tournament has been centered in the progress of Gene Sarazen of Titusville, Pa., Hutchison's conqueror. Sarazen, who beat Hutchison 8 up and 7 to play yesterday, was matched to-day with Cyril Walker of Englewood, N. J.

The other matches were between Jim Barnes, American open champion, and Frank McLeod of Washington; Walter Hagen, western open champion, and John Golden of Tuxedo, N. Y.; and George McLean of Bronxville and Ernest French of Youngstown, O.

SEASON PROLIFIC OF HOME RUNS

To Date There Have Been 924 in National and American Leagues.

New York, Sept. 29.—With only a few major league games to be played the season's record of home runs in the National and American leagues is close to 300 more circuit clouts than were made in 1920.

The present year's total to date for both leagues is 924 homers against 631 made during last year's entire season.

American league players so far this year have walloped the ball for 470 home runs against 370 last year and in the National 454 have been hit to date as compared with 261 in 1920.

Are You Running Down

and gradually losing your strength and vitality? Is your blood getting thin and are you becoming nervous, and when you get up in the morning are you as tired as when you went to bed? These are symptoms of neurasthenia, and deranged stomach. The frequent causes of this condition are overwork and worry.

First of all you must set your stomach to rights, and correct the serious disturbances, such as indigestion, constipation, and at the same time flush the kidneys and make the liver active. To accomplish this result—you cannot take a more reliable and better remedy than the good old standby SEVEN BARKS made from the extracts of roots and herbs. It has been recognized as a standard remedy for stomach, kidney and liver troubles for nearly 50 years.

There is hardly a family but what some member is more or less frequently troubled with biliousness, indigestion, liver or kidney trouble. If you have never tried SEVEN BARKS do not fail to do so, and watch the wonderful results.

Get at the root of all stomach troubles by driving all poisons out of your system for good. You can do this by taking nature's remedy, SEVEN BARKS. One bottle at a small cost will prove its value. Ask your nearest druggist for it to-day.—Adv.

NEW YORK NOT AT ALL SURE

Goes Up Against Dangerous Possibilities in the Next Four Games

ATHLETICS LIKELY TO PROVE HARD

While Red Sox Will Fight Hard for the Final Game

New York, Sept. 29.—The Philadelphia Athletics may be in last place in the American league but they can boast of a "Babe Ruth" in outfielder C. Walker, whose total home runs to-day number 23 for the season.

Walker is adding to his string with such regularity that the New York Yankees will watch him closely in their three-game series with the Athletics, which begins in Philadelphia to-day.

Should Cleveland, which to-day started a four-game series with the White Sox, make a clean sweep the Yankees must win three out of four to retain their first place position. The fourth game on the Yanks' schedule is with the Red Sox at the Polo grounds Sunday. Besides Walker, the New York team has pitcher Ed Rempel to worry about. This Athletic twirler has proven almost as much of a jinx to the locals as has Pitcher Urban Shooker of the Browns, who shut them out Tuesday. Rempel likely will get into the game against New York before the end of the week, if not to-day. Cleveland also is faced with the probability that both Faber and Kerr, crack Chicago pitchers, will oppose them in two of their four games.

The Yankees left for Philadelphia confident they will overcome any obstacle that Manager Connie Mack and his team may put in their way. Manager Huggins is expected to rely on Hoyt, Shawkey and Mays to do the pitching against the Athletics this week.

Walker, who made his 23d home run yesterday in a game won by Boston, 5 to 4, was one of four circuit swatters, although only three games were played in the majors. Olson and Reuther of Brooklyn each made one in their club's victory over the Boston Braves, and Pratt, Red Sox, hit one. Wheat of Brooklyn obtained a perfect batting average with three hits, one a triple. Southworth, Boston Braves, hit two triples in three times up and his fellow townsman, Pratt, Red Sox, hit safely in four trips to the plate.

INDIANS TO FIGHT IN CLOSING SERIES

Four Straight They Must Have from Chicago to Be Possible Winner.

Chicago, Sept. 29.—Preliminaries to the 1921 world's series to-day reached the semi-final stage when Tris Speaker led his playing-through championship Cleveland club into a paramount four-game series with the seventh place Chicago White Sox.

Mixed with the Indians' determination to make it four in a row from their lowly opponents, despite Red Faber and Dick Kerr, two of the league's best hurlers, necessarily was a prayer for the leading New York Yankees to falter in at least one of the closing quartet of games, to permit the Clevelanders to contest with the National league victors for baseball's premier honors.

To-day was Kerr day at Comiskey park and with the diminutive moundman to be showered with gifts and thousands of his admirers to be on hand, it was regarded as probable that he would be sent out to turn back the fighting Indians. The pitcher had not been announced this morning, however, and it was regarded as possible Faber would be the choice.

There was no indication as to who would pitch for Cleveland.

The day dawned cloudy and humid, with a forecast for showers by afternoon.

YEAST BEST WHEN TAKEN WITH IRON

If Weak, Thin or Rundown Try This New Treatment in Tablet Form—Watch the Quick Results.

Everyone has heard of the apparent wonders performed by yeast in restoring thin, sickly and run-down people to health. And now it is found that even more surprising results are brought when yeast is taken with iron, the great blood-builder.

People who for years were weak, pale, anemic, and all run-down are regaining their strength and health almost as if by magic through this remarkably effective combination of tonics. And the best of it is that you can take it in pleasant tablet form—no need to eat yeast cakes, which are so disagreeable to many.

The preparation in which these two great health builders have been combined is known as Ironized Yeast. This contains highly concentrated brewer's yeast which is far more effective than ordinary baker's yeast because it is richer in vitamins. Vitamins, as we all know, is the mysterious element which science has found to be so absolutely essential to health. Due to modern methods of food preparation vitamins are lacking in most of our commonest foods—and that is why so many of us become sickly and run-down.

If you are suffering from loss of strength, if you frequently become exhausted, if your food has no taste for you, or if you are irritable, thin, pale, nervous, or generally run-down, then try this remarkable new tonic.

Ironized Yeast will in most cases bring a decided improvement within three days. It will usually clear up sallow or muddy complexions within ten days. From everywhere come enthusiastic reports of what it is doing for people.

It is packed in patented Sani-tape packages and will keep indefinitely. Its cost is no more per dose than common yeast. Each package contains 10 days' treatment and costs only \$1.00—or just 10¢ a day. Special directions for children in each package. Made by the Ironized Yeast Co., Atlanta, Ga.—Adv.

WALTER HUBBARD SELLS PAPER.

Former Brattleboro Man Disposes of Interest in Beverly Times.

Brattleboro, Sept. 29.—Walter E. Hubbard of Beverly, Mass., editor and publisher of the Beverly Evening Times, announced yesterday the sale of a controlling interest in the Times Publishing Co. to Thomas Leavitt of Boston. Mr. Hubbard formerly was owner of the Vermont Phoenix and was a member of the Brattleboro Daily Reformer, the company publishing both The Reformer and The Phoenix. He sold his interest in the Brattleboro Publishing Co. to his partners three years ago, and two years ago bought a controlling interest in the Times Publishing Co.

When Mr. Hubbard was here a few days ago he said that he had received an offer for The Times at a price considerably in advance of what he paid for it, but was rather inclined not to accept.

Accident Is Right.

A business man relates the following story:

"I visited the old farm in Scotland as was my custom each year, and when talking with the old Scotchman who had been a part of the farm organization since my boyhood days, I noted that he was not wearing the big fur cap with the heavy ear flaps which he had always worn in winter time."

"Where is your cap, Sandy?" I asked.

"Me cap, mon, why I ha na wore it since the accident."

"Accident," I said. "I had not heard of any accident."

"Ah, yes, it was when McGregor came over an' we were out taggieither, an' he asked me to have a drink—an' I didna hear him."—Foresight.

ACIDS IN STOMACH CAUSE INDIGESTION

Create Gas, Sourness and Pain How To Treat.

Medical authorities state that nearly nine-tenths of the cases of stomach trouble, indigestion, sourness, burning gas, bloating, nausea, etc., are due to an excess of hydrochloric acid in the stomach and not as some believe to a lack of digestive juices. The delicate stomach lining is irritated, digestion is delayed and food sours, causing the disagreeable symptoms which every stomach sufferer knows so well.

Artificial digestants are not needed in such cases and may do real harm. Try laying aside all digestive aids and instead get from any druggist a few ounces of Bismarck Magnesia and take a teaspoonful in a quarter glass of water right after eating. This sweetens the stomach, prevents the formation of excess acid and there is no sourness, gas or pain. Bismarck Magnesia (in powder or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and is the most efficient form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.—Adv.

Studebaker

This is a Studebaker Year

For the first eight months of 1921,

Our sales of Studebaker Cars were:

41% MORE than for the same period of 1920.
101% MORE than for the same period of 1919.

But our sales of Repair Parts were:

13% LESS than for the same period of 1920.
3% LESS than for the same period of 1919.

While the total numbers of Studebaker Cars sold were:

326,000 up to September 1st, 1919.
375,000 up to September 1st, 1920.
442,000 up to September 1st, 1921.

Summing up 116,000 more Studebaker Cars were maintained in operation with 3% less parts business than two years ago, which conclusively proves that—

Studebaker Cars are standing up in service and staying out of repair shops, to a degree unexcelled, we believe, by any cars of whatever price.
